AGAINST ONE GREAT
BANK IN NEW YORK

(Continued From Tenth Page)
to support the law, and explain its purposes. Some of the witnesses said that they were in favor of one central bank, but the secretary defended the plan of having regional banks, as against this idea.

STATE UNDIVIDED
IN ITS SUPPORT

Raleigh Will Join Other North Carolina Cities in Assisting Richmond.

(Special to The Times-Dispatch.)
Raleigh, N. C., January 7.—Raleigh and all North Carolina will give undivided support to Richmond as the regional bank center for this section. This will be enthusiastically demonstrated Thursday night when the Richmond bankers arrive for the conference with the Raleigh Chamber of Commerce and business men generally. It is being insisted that Virginia, North Carolina and South Carolina must pull together for Richmond, or stand the chance of having this territory, now so closely allied in business interests, parceled off to other regional divisions. Virginia going to Washington; West Virginia, Maryland and Pennsylvania and North Carolina and South Carolina to Georgia; Alabama and Florida, Raleigh's support of Richmond is assured, and Rocky Mount, Tarboro and other North Carolina towns have already declared for Virginia. Some are holding the attitude of "Virginia cities" in the interstate state freight rate matter against Richmond in this movement, but with the assurance of Richmond that she is not really fighting the lower rates for North Carolina, this sentiment of retaliation is disappearing rapidly.

AMERICAN CHARGE
WILL VISIT LIND

O'Shaughnessy Leaves for Vera Cruz in Response to Request of Envoy.

Mexico City, January 7.—The American Charge O'Shaughnessy left for Vera Cruz in response to a request from John Lind, President Wilson's personal representative, to call on him there. The charge was accompanied by Mrs. O'Shaughnessy, but their little son was left behind. This cited by the charge as indicating his early return.

The charge requested the publication of Mr. Lind's telegram, which merely said he desired Mr. O'Shaughnessy to come at his convenience, so that he might present to the charge personally the president's compliments. It is reported here that two Mexicans accompanied Mr. Lind on his recent trip on the scout cruiser Chester to Vera Cruz. These men are said to have been Sebastian Camacho, an old conservative of the Porfirio Diaz regime, and Antonio Paredes, attorney of the Catholic Church in the capital. Old church dignitaries are known to have been pleading with those close to Huerta to order from the President whatever concessions might be necessary to bring about peace. Independent of these efforts, it is known that others, including high military officers, have attempted to persuade the President of the necessity of resigning. The report that Huerta is inclined to take steps that will leave the present Minister of Justice, Señor Goriastia, as his successor has gained impetus. There is another report current that a new slate will be proposed, which would place General Jose Velasco in the Presidency, General Lauro Villar, another officer of the Diaz regime, in the Ministry of War, and Francisco de la Barra, in the ministry of foreign affairs. The financial situation was not improved to-day by the President's decree, making the notes of State banks legal tender, but it is pointed out that no change could be effected until sufficient time elapsed to learn what number of States would be able to subscribe their part of the guarantee redemption fund.

NEW GYMNASIUM
AS MEMORIAL GIFT

Presented to Episcopal High School by the Misses Stewart and Mrs. Peterkin.

FORMAL DEDICATION SERVICE
Tablets in Memory of John Stewart and Daniel Kerr Stewart Unveiled.

Alexandria, Va., January 7.—The handsome new gymnasium of the Episcopal High School, located three miles west of Alexandria, in Fairfax County, was formally dedicated at 1 o'clock this afternoon in the presence of the members of the faculty and students, together with the donors, the Misses Stewart and their sister, Mrs. Peterkin, wife of Bishop George W. Peterkin, of West Virginia.

A speech of presentation on behalf of the donors was made by John Stewart, of Richmond, a nephew of the donors. A address of acceptance on behalf of the school was delivered by Bishop W. L. Gravatt, of West Virginia. Dedication ceremonies were conducted by Bishop Peterkin.

The new structure was donated to the High School by the Misses Stewart and Mrs. Peterkin, five in all, and cost \$25,000.

Bishop L. L. Kinsolving, of Brazil, introduced the speakers and the dedication of gymnasium and made a short address.

Tablets Unveiled.
In connection with the ceremonies, two bronze tablets, commemorating John Stewart and Daniel Kerr Stewart, to whose memory the building was erected, were unveiled. The tablets were unveiled by Thomas Pinckney, Jr., and Morris Pinckney, great-grandchildren of John Stewart. Following are the inscriptions on the tablets:

These Stones Are Set For a Memorial of John Stewart
1856 and 1885
Daniel Kerr Stewart 1859
Two Devoted Churchmen of This Diocese.
Born in Rothesay, Scotland. Died at Brook Hill, Virginia.
Lord who shall dwell in Thy tabernacle, or who shall rest upon Thy Holy Hill, even he that leadeth uncorrupt Life, and doeth the thing which is right and speaketh the truth from his heart.
To The Boys of The Episcopal High School.
Know Ye Not That They Which Run in a Race Run All, But One Receiveth the Prize.
That Ye May Obtain Handsome Brick Building.
The new gymnasium adjoins the old one, and is a very handsome brick building with a front portico supported by large pillars. Over the doorway is inscribed "Stewart Memorial, 1913." It is a brick structure with Indiana limestone trimmings, and is equipped with all modern gymnasium conveniences. The structure is regarded as the best gymnasium of any educational institution in the State, and the students of the school, together with the members of the faculty, are very proud of it. It is 60x100 feet.

The students of the high school formally christened the building this afternoon with a game of basketball between two rival teams of the institution.

NEW HAVEN AFFAIRS
BEING CONSIDERED

Chairman Elliott and Attorney-General Study Negotiations for Dissolution.

Washington, January 7.—Here are the days' developments in New Haven in the dissolution negotiations now being carried on by Chairman Howard Elliott, of the railway system, and Attorney-General McKendall.

1. An admitted disposition on the part of the Attorney-General to pass along to the Interstate Commerce Commission the responsibility for divorcing the New Haven Railroad from its steamship lines.

2. In an official statement the Attorney-General asserts that the law cannot prosecute the officers, directors or agents of a railroad for dishonest management, as laws have not been enacted by Congress to regulate the issuance of securities by corporations created by the States.

3. A committee from the Boston Chamber of Commerce, headed by Senator Weeks, urges the application of the soft pedal so as not to endanger New England's investments in the New Haven combine.

4. Assistant Attorney-Generals Gregory and Adkins worked at the department on the agreement President Elliott will be required to accept, and President Elliott spent the day in his apartment over a similar agreement that he will submit to the Attorney-General.

5. The fundamental principles upon which the agreement is based, he announced during the present week. The department to-day issued an official statement explaining why it has not proceeded against directors who have wrecked the roads under their control. Special pains were taken to announce that this statement bore no relation to the New Haven situation. Its issue during the visit of President Elliott is considered significant. The statement follows:

"The Department of Justice is constantly receiving letters inquiring why it does not direct the prosecution of officers and directors who have been responsible for the financial irregularities in the management of railroads, as disclosed from time to time. These inquiries proceed from a mistaken but very common view of the powers of the Department of Justice. There is no law under which it can prosecute the officers, directors, or other agents of a railroad company for improvident or dishonest management of the financial affairs of that company, since Congress has not undertaken to regulate the issuance of securities by corporations created by the States, or the conduct of or fiduciary relations of their officers, but has left those matters to the States, respectively."

Cleans Blood
Through Kidneys
A Most Important Function and One to be Carefully Guarded.

The purpose of the kidneys is to filter the blood. Instead of drugs and alleged kidney stimulants the better way is to purify the blood with an antidotal effect such as you get from S. S. S. It should be remembered that the kidneys are made up of a fine network of blood vessels, and are so situated that they filter the blood to stimulate the functional activity of kidney tissue through this capillary network that S. S. S. shows one of its most remarkable effects. The medicinal value of the components of S. S. S. are relatively just as vital to healthy kidney action as meat, fats, sugars, or any other part of our daily food is to the natural reconstructive requirements of the tissues. And here is one component of S. S. S. which serves the purpose of stimulating the cellular tissues of the kidneys to a healthy and judicious secretion of their essential nutrient. Thus, rheumatism, cystitis, chronic sore throat, huskiness of voice, bronchitis, asthma, and the myriad of other reflex indications of weak kidneys, first purify your blood with S. S. S. It will enable the tissues to rebuild their cellular strength and regain their normal health.

S. S. S. is prepared by The Swift Specific Co., 316 Swift Bldg., Atlanta, Ga., and if you have any deep-seated or obstinate blood trouble write to their Medical Dept. for free advice.
